HOW TO GET THERE

Instructions for loading /unloading:

- Entrance is via carrer Amadeu Vives which has automated bollards, therefore please note that access times are limited to: Monday to Friday, 9.15am to 11am and 3pm to 4.45pm.
- Verdaguer i Callis street is narrow, so if your transport vehicle is wide you will have to park in the loading zone on Carrer St Pere més alt.
- If the loading/unloading time takes longer than 30 minutes, a special permit is required. Antic Teatre will request this permit together with the companies and will defray the costs of the permit so long as it is requested in good time.
- Antic Teatre is not responsible for any fines emitted by the local police to any of the company's vehicles.

PLAN
